

Women in the Statistics Workforce

Perspectives from Academia and Industry

10/25/2023

Outline

At most 15 minutes per topic, at least 3 minutes for questions.

- Who are you? What do you do now?
- What did you do before your current position?
- How did you find your current position?
- What skills have been/continue to be important for success in your position?
- What possible paths do you imagine your career taking after this point?

Rebecca Ferrell

Starbucks

Director of Testing Analytics

Laina Mercer

**Center for Vaccine
Innovation and Access at
PATH**

Principal Statistician

Kayleigh Keller

Colorado State University

Assistant Professor
